

4.5 Urban Water Management Compliance

List the urban water suppliers that will receive funding from the proposed grant. If there are none, so indicate. Provide agency/organization name, a contact phone number and e-mail address. If an urban water supplier submitted urban water management compliance documentation with the 2014 IRWM Drought Grant Solicitation, indicate as such, and the supplier is not required to submit the following urban water management compliance documentation. If not, the supplier must: include documentation, from DWR, that verifies that each supplier's 2010 Urban Water Management Plan (UWMP) addresses the CWC requirements. If an urban water supplier's 2010 UWMP has not been verified by DWR, explain and provide the anticipated date for having a 2010 UWMP that addresses the CWC requirements. The listed urban water suppliers must self-certify their compliance with the requirements contained in AB 1420 and their compliance with the water metering requirements contained in CWC § 525 et seq. The following must be submitted by the applicant to fulfill this requirement:

- Submittal of list of urban water suppliers
- Agency/organization name(s)
- Contact phone number(s) and e-mail address(es)
- DWR verification documentation for UWMPs
- AB 1420 self-certification documentation from each urban water supplier
- CWC §525 self-certification documentation from each urban water supplier

No urban water suppliers will receive funding from the proposed grant, therefore this section does not apply.
