

Agricultural Water Management Plan Compliance

The agricultural water supplier that would receive funding from the IRWM Grant includes:

Rancho California Water District
Justin Haessly
Senior Conservation/Water Use Efficiency Analyst
(951) 286-6542
haesslyj@ranchowater.com

RCWD each submitted its agricultural water management compliance documentation with the 2014 IRWM Drought Grant Solicitation, in partnership with and led by the Santa Ana River IRWM Watershed.
