

Adopted Plan and Proof of Formal Adoption

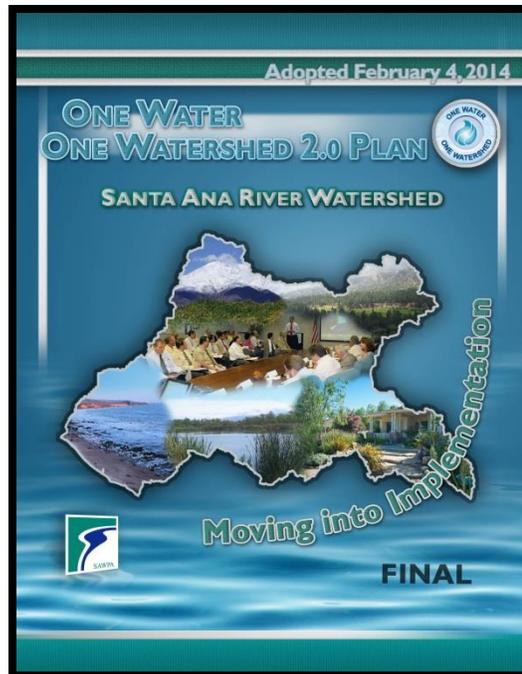

The Integrated Regional Water Management Region for the 2015 One Water One Watershed Program is the Santa Ana River Watershed, also referred to as the Santa Ana Funding Area under the Regional Acceptance Process. The region’s Integrated Regional Water Management plan, also known as the One Water One Watershed 2.0 Plan, has been approved by the Department of Water Resources and is therefore not required to submit proof of adoption.

All project proponents receiving Proposition 84 Integrated Regional Water Management funding have adopted the One Water One Watershed 2.0 Plan.

Proof of adoption by the project proponents who did not submit under this region’s 2014 Integrated Regional Water Management Drought Grant Solicitation have included their resolutions and letters of support herein the following order:

- City of San Jacinto
- Orange County Coastkeeper/Inland Empire Waterkeeper (nongovernmental organizations with same organizational leadership)
- Orange County Sanitation District
- Riverside County Flood Control and Water Conservation District

The following project proponents receiving Proposition 84 funding submitted proof of adoption for the 2014 Integrated Regional Water Management Drought Grant Solicitation: Eastern Municipal Water District, Inland Empire Utilities Agency, Orange County Water District, San Bernardino Valley Municipal Water District, Santa Ana Watershed Project Authority, and Western Municipal Water District.

**A RESOLUTION BY THE CITY COUNCIL OF THE CITY
OF SAN JACINTO, CALIFORNIA, SUPPORTING AND
ADOPTING THE ONE WATER ONE WATERSHED
INTEGRATED REGIONAL WATER MANAGEMENT PLAN
FOR THE SANTA ANA RIVER WATERSHED**

WHEREAS, Santa Ana Watershed Project Authority (SAWPA) has completed and adopted the 2014 update of the One Water One Watershed (OWOW) Integrated Regional Water Management Plan (Plan); and

WHEREAS, the Plan represents one of the most significant and innovative collaborative planning efforts to date in addressing water resources in the Santa Ana Rivers Watershed; and

WHEREAS, the OWOW planning process was conducted in a fair and transparent process, working closely with stakeholders in the watershed in a bottom-up approach in preparing the Plan; and

WHEREAS, adoption of the Plan in no way commits a participating agency to a financial or any other regulatory obligation and does not legally bind the participating agency to any future activities or specific projects; and

WHEREAS, the Plan will help secure significant funding for resources in the Santa Ana River Watershed through the California Department of Water Resources, The Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006 (Proposition 84) (Public Resources Code section 75001 *et seq.*) and other funding sources through the Plan process; and

WHEREAS, the adoption of the Plan is exempt from the California Environmental Quality pursuant to State CEQA Guidelines sections 15061, 15262, and 15306; now; therefore,

BE IT RESOLVED, that the City Council of the City of San Jacinto hereby adopts the One Water One Watershed Integrated Regional Water Management Plan and as a required condition for the ability to receive grant funding, and supports the Plan as adopted.

RESOLUTION NO. OCSD 14-11

A RESOLUTION OF THE BOARD OF DIRECTORS OF
ORANGE COUNTY SANITATION DISTRICT ADOPTING
THE "ONE WORLD, ONE WATERSHED" (OWOW) 2.0
INTEGRATED REGIONAL WATER MANAGEMENT PLAN

WHEREAS, California voters passed "Proposition 84", the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006 (Act), which provides funding (Pub. Resources Code §§ 75001-75130) for Integrated Regional Water Management Plan (IRWMP) Implementation; and

WHEREAS, the California Department of Water Resources (DWR), requires that a proposed project under the Act be consistent with, and included in, an adopted IRWMP; and

WHEREAS, an IRWMP is a collaborative effort to manage all aspects of water resources on a regional basis, identify and address the major water related objectives and conflicts within the region, consider all of the resource management strategies identified in the California Water Plan, and use an integrated, multi-benefit approach to project selection and design. IRWMP crosses jurisdictional, watershed, and political boundaries; involves multiple agencies, stakeholders, Individuals, and groups; and attempts to address the issues and differing perspectives of all entities involved through mutually beneficial solutions; and

WHEREAS, DWR requires local agencies to adopt and implement an IRWMP; and

WHEREAS, on November 16, 2010, the Santa Ana Watershed Project Authority (SAWPA) prepared a IRWMP titled, "One World, One Watershed," to examine water resource management strategies to protect the Santa Ana River (SAR) Basin and address regional watershed planning through an integrated and collaborative process. Management strategies cover water supply and water quality, flood management, wastewater treatment, recycled water, imported water, groundwater management, land use, natural habitat and conservation, and other beneficial uses, drought proofed, salt-balanced, and environmental and economic feasibility; and

WHEREAS, SAWPA's Board of Commissioners invited 13 project proponents to work with SAWPA staff in preparing an application to DWR for \$12 million in IRWMP implementation funding; and

WHEREAS, the Orange County Sanitation District is a local agency as defined in the IRWMP Grant Program and is a duly organized County Sanitation District existing pursuant to the County Sanitation District Act, California Health and Safety Code section 4700, et seq., providing for the ownership, operation, and maintenance of wastewater collection, treatment, and disposal facilities within Orange County, California; and

WHEREAS, the Orange County Sanitation District's "Sludge Dewatering, Odor Control, and Primary Sludge Thickening at Plant No. 1", Project No. P1-101, was one of 13 project proponents selected by SAWPA for a funding portfolio of one million dollars; and

WHEREAS, the Board of Directors of the Orange County Sanitation District, on November 17, 2010, adopted Resolution No. OCSD 10-21 adopting the "One World, One Watershed" IRWMP and authorizing participation of the Sanitation District for grant funding under the Act; and

WHEREAS, the Orange County Sanitation District executed a Grant Funding Contract with SAWPA and entered into a Grant Funding Program under the Act in July 2012 for monetary assistance under the Act for Project No. P1-101; and

WHEREAS, in February 4, 2014, SAWPA adopted the "One World, One Watershed" 2.0 IRWMP to update the 2010 IRWMP and implement strategies leading towards water demand reduction by providing greater emphasis on implementation concepts and projects, and revised pillar chapters supplemented with extensive work by the Bureau of Reclamation associated with climate change impacts to the watershed; and

WHEREAS, the DWR requires that participants in the Act's Grant Program adopt and implement the updated IRWMP.

NOW THEREFORE, the Board of Directors of the Orange County Sanitation District, DOES HEREBY RESOLVE, DETERMINE AND ORDER:

Section 1. That the "One World, One Watershed" 2.0 IRWMP adopted by SAWPA on February 4, 2014, be adopted by the Orange County Sanitation District.

Section 2. That the General Manager of the Orange County Sanitation District, or his designee, is hereby authorized and directed to take all reasonable actions necessary to carry out the "One World, One Watershed" 2.0 IRWMP.

PASSED AND ADOPTED at a regular meeting of the Board of Directors held September 24, 2014.
