

## San Diego Integrated Regional Water Management Implementation Grant Proposal Adopted Plan and Proof of Formal Adoption

Attachment 2 consists of the following item:

- ✓ **Proof of Formal Adoption.** The 2007 San Diego IRWM Plan was adopted by all three RWMG entities, as well as project proponents. Proof of formal adoption is included as Appendix 2-1.
- ✓ **Appendix 2-1.** This appendix contains formal resolutions for each of the RWMG entities and the project sponsors which indicate formal adoption of the IRWM Plan.

---

The RWMG agencies – San Diego County Water Authority, County of San Diego, and City of San Diego – formally adopted the 2007 San Diego IRWM Plan as follows:

- The San Diego County Water Authority Board of Directors adopted the Plan at a public meeting held on October 25, 2007, and amended on January 24, 2008 and January 13, 2010;
- The County of San Diego Board of Supervisors adopted the Plan at a public meeting held on November 7, 2007;
- The City Council for the City of San Diego adopted the Plan at a public meeting held on December 18, 2007.

The project sponsors that comprise this proposal also adopted the IRWM Plan as follows:

- The Board of Directors for San Diego Coastkeeper adopted the Plan on September 27, 2010;
- The Board of Directors for the Rural Community Assistance Corporation adopted the Plan on October 28, 2010;
- The San Elijo Joint Powers Authority Board of Directors adopted the Plan at a public meeting held on November 8, 2010;
- The Olivenhain Municipal Water District Board of Directors adopted the Plan at a public meeting held on November 17, 2010;
- The City Council for the City of Santee adopted the Plan at a public meeting held on December 15, 2010;
- The Jacobs Center for Neighborhood Innovation adopted the Plan on December 17, 2010.

Appendix 2-1 contains formal resolutions for each of the RWMG entities and the project proponents, which indicate formal adoption of the IRWM Plan.

This attachment does not contain documentation that the San Diego IRWM Plan was adopted consistent with CWC §10543, because the San Diego Region is not establishing eligibility with an IRWM Plan meeting current Plan Standards and Guidelines provisions. Rather, as described in Attachment 14, the RWMG will enter into a binding agreement with DWR to amend the Plan within two years of initiation of the Implementation Grant Agreement (assumed June 1, 2011).

**2007 San Diego IRWM Plan****New text for Section G (Implementation):***G.5 Managing the IRWM Project List*

Periodic updates to the list of water management projects must be made as new funding opportunities arise. Updating the project list will allow additional projects to be added, as project concepts are refined to address changing conditions and needs in the Region. This opportunity also will enable the project sponsors to revise their project submittals as necessary.

The San Diego IRWM project list is included in the Plan as Appendix 5. Any sponsor may submit a project for inclusion in the Plan. The Regional Water Management Group (RWMG) will decide whether to add a submitted project to Appendix 5 after reviewing it to ensure it is consistent with the Plan. The RWMG will notify the sponsor of its decision to accept or reject a project. This structure facilitates the addition of projects to the Plan. It also makes it easier for sponsors to add or revise projects, integrate their projects with others, or add additional features so the projects provide multiple benefits.

When the RWMG decides to submit an application for a grant or other funding opportunity, it will work with the Regional Advisory Committee (RAC) to form a technical workgroup that will review the projects in Appendix 5 and recommend which to submit for funding. All grant applications, including projects proposed for funding, will be submitted to the RAC for its consideration and recommendation. The ultimate approval of the application and projects submitted for funding lies with the Board of Directors of the San Diego County Water Authority, the agency authorized to submit grant applications on behalf of the RWMG.
