PROJECT APPLICANT: City of Corona, Department of Water and Power

MAY 11 2009

PROJECT LOCATION: 615 Richey Street

Removed: 6-11-09

PROJECT DESCRIPTION: The proposed project is to construct and operate an interconnection between the City of Corona and Western Municipal Water District. The construction consists of piping, Supervisory Control and Data Acquisition System (SCADA), Chemical Feed and Storage System, and appurtenances located at the City's Promenade Park. Location: The project is located at 615 Richey Street. The project site is bounded by Promenade Avenue to the south, Richey Street to the west, and residential housing tracts to the north and east. The interconnection is located at City owned property identified as Assessors Parcel Number 172-120-001.

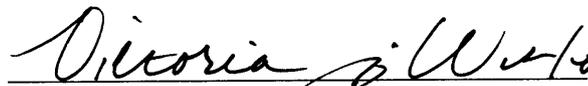

This is to certify that the City Council has approved the above-described project on May 6, 2009, and has made the following determinations:

1. The project will x will not have a significant effect on the environment.
2. An Environmental Impact Report was previously prepared and certified for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.
 x A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.

This is to certify that the Final EIR (with comments and responses), Negative Declaration or Mitigated Negative Declaration and record of project approval is available to the general public and may be examined at the Office of the City Clerk, 400 S. Vicentia Avenue, Suite 125, Corona, California.

3. Mitigation measures x were were not made a condition of the approval of the project.
4. A Statement of Overriding Considerations was x was not adopted for this project.
5. Findings x were were not made pursuant to the provisions of CEQA.

**CITY OF CORONA
MITIGATED NEGATIVE DECLARATION**

NAME, DESCRIPTION AND LOCATION OF PROJECT:

Name: Corona – Western Promenade Connection a.k.a. Arlington Desalter Connection

Description: The proposed project is to construct and operate an interconnection between the City of Corona and Western Municipal Water District. The construction consists of piping, Supervisory Control and Data Acquisition System (SCADA), Chemical Feed and Storage System, and appurtenances located at the City’s Promenade Park.

Location: The project is located at 615 Richey Street. The project site is bounded by Promenade Avenue to the south, Richey Street to the west, and residential housing tracts to the north and east. The interconnection is located at City owned property identified as Assessors Parcel Number 172-120-001.

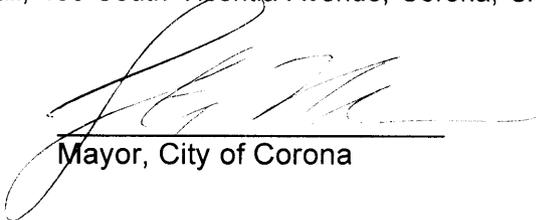

ENTITY OR PERSON UNDERTAKING PROJECT:

**City of Corona – Department of Water and Power
755 Corporation Yard Way
Corona, CA 92880
(951) 736-2234**

The City Council, having reviewed the initial study of this proposed project and the written comments received prior to the public meeting of the City Council, the comments of any and all concerned persons or entities, including the recommendation of the City's staff, does hereby find that the proposed project may have potentially significant effects on the environment, but mitigation measures or revisions in the project plans or proposals made by or agreed to by the applicant would avoid or mitigate the effects to a point where clearly no significant effects will occur. **Therefore, the City Council hereby finds that the Mitigated Negative Declaration reflects its independent judgment and shall be adopted.**

The Initial Study and other materials which constitute the records of proceedings, are available at the office of the City Clerk, City of Corona City Hall, 400 South Vicentia Avenue, Corona, CA 92882.

De Minimis Impact Finding

Name and Address of Project Proponent:

City of Corona
400 S. Vicentia Avenue
Corona, CA 92882

Project Title/Location (include county):

Corona – Western Promenade Connection a.k.a. Arlington Desalter Connection/ 615 Richey Street (Promenade Park)/ City of Corona/ County of Riverside

Project Description:

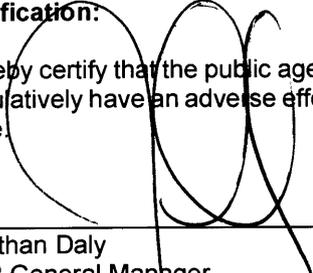

The City of Corona Department of Water and Power is proposing to construct and operate an interconnection between the City of Corona and Western Municipal Water District. The construction consists of piping, Supervisory Control and Data Acquisition System (SCADA), Chemical Feed and Storage System, and appurtenances located at the City's Promenade Park.

Findings of Exemption from Fish and Game Fees:

As the lead agency for the project, Western Municipal Water District conducted an initial study that shows this project will not have a significant negative impact on fish or wildlife as the site contains no bodies of water or known wildlife habitat. The project exists within an already developed City Public Park.

Certification:

I hereby certify that the public agency has made the above finding and that the project will not individually or cumulatively have an adverse effect on wildlife resources, as defined in Section 711.2 of the Fish and Game Code.
