

RESOLUTION NO. 2012-51

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF IMPERIAL ADOPTING THE IMPERIAL INTEGRATED REGIONAL WATER MANAGEMENT PLAN (IRWMP) AND AGREEING TO PARTICIPATE IN FUTURE IMPERIAL IRWMP WATER PLANNING EFFORTS

WHEREAS, the California State Legislature has declared its intention to encourage local agencies to work cooperatively to manage their available local and imported water supplies; to improve the quality, quantity, and reliability of those supplies; to integrate local assets and seek mutual solutions to water management issues by diversifying water portfolios; and to provide funding for development of regional water management plans and projects identified in those plans; and

WHEREAS, the California Department of Water Resources has issued guidelines for preparing an Integrated Regional Water Management Plan (IRWMP) and for distributing State bond monies; and in September 2009 accepted the Imperial Region into its IRWM grant program, a requirement for IRWM grant funding eligibility; and

WHEREAS, the Imperial Water Forum was convened in June 2010 to provide the mechanism for Imperial Region stakeholders, representing a wide array of interests, to work together in an open, participatory, collaborative public process to formulate and support implementation of long-term water management solutions resulting in the Imperial IRWMP; and

WHEREAS, the Imperial IRWMP represents the collective vision and wisdom of Imperial Region stakeholders, defines a portfolio of cost-effective water supply strategies, serves as a resource the Region can use to define long-term needs and priorities for water-related projects, and qualifies projects that are proposed by adopting agencies for State funding; and

WHEREAS, the Imperial IRWMP does not replace or supersede local water supply or land use planning, nor usurp any water district, city, or county authorities; and

WHEREAS, the Imperial IRWMP does not bind the adopting agency to any policies, but rather acts as a roadmap for the region's water related goals;

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Imperial hereby adopts the 2012 Imperial IRWMP as endorsed by a majority of stakeholders attending the October 18, 2012 Water Forum meeting ; and
