Attachment 12 is not applicable to the *Coachella Valley IRWM Implementation Grant Proposal – Round 2*, because the Coachella Valley IRWM Plan was not adopted on or before September 30, 2008. The Coachella Valley IRWM Plan, adopted by all five Coachella Valley Regional Water Management Group (CVRWMG) partners and several project sponsors in December 2010, is included in Appendix 1-4 (refer to Attachment 1).

Although the Coachella Valley IRWM Plan was adopted after 2008, the CVRWMG via Coachella Valley Water District (CVWD) has already entered into a binding agreement (Agreement No. 4600009342) with DWR to update the IRWM Plan with provisions set forth in the 2012 *IRWM Grant Program Guidelines*. This IRWM Plan Update is currently underway and is anticipated for adoption in Spring 2014.
