

## Upper Pit River DAC Infrastructure Improvement

### Attachment 1 – Eligibility

The North Cal-Neva Resource Conservation and Development Council, Inc. meets DWR Guidelines for a 501 (c) (3) non-profit corporation. Please see attached IRS letter.

The North Cal-Neva Resource Conservation and Development Council has the legal authority to enter into an agreement with the State of California as has so in the past with two Calfed grant agreements.

The North Cal-Neva Resource Conservation and Development Council has 18 sponsor organizations that we partner with to meet the Council's mission and goals. These organizations include Modoc County, Lassen County, and Plumas County. We also have five Resource Conservation Districts on our Council as well as two Community Services Districts. The City of Alturas, City of Susanville and Washoe County in Nevada are also active within our Council.
