To Whom It May Concern:

I am writing this letter as District Three Supervisor who represents three disadvantaged communities in the Upper Pit River Watershed, Sacramento River Funding Area. I understand that the application submitted by the North Cal-Neva Resource Conservation and Development Council, Inc. for the Upper Pit River Integrated Regional Water Management Plan (IRWMP) contains a request for waiver of funding match based on disadvantaged communities. On behalf of my communities I wish to convey our support for the Upper Pit River IRWMP.

My community's involvement in the planning process has been solicited, we have participated in the planning process, and we have chosen to participate in the Upper Pit River Integrated Regional Water Management Plan.

Sincerely,

Pam Giacomini
