## GWMP, AB 1420, and Water Meter Compliance Information

### GWMP, AB 1420, and Water Meter Compliance Information

Attachment 11 consists of the following items:

- ✓ **Groundwater Management Plan Compliance Form.** Rancho California Water District certifies that the agency conforms to the requirements of an adjudication of water rights in the Temecula Valley Basin, and manages the basin under an “equivalent” groundwater management plan.
- ✓ **AB 1420 Compliance.** Rancho California Water District has prepared AB 1420 forms and submitted them to the Department of Water Resources to demonstrate Best Management Practice Implementation Compliance.
- ✓ **Water Metering Compliance Form.** Rancho California Water District has certified that it has fully complied with the provisions of Division 1, Chapter 8, Article 3.5 of the California Water Code and that ordinances, rules, or regulations have been duly adopted and are in effect. South Coast Resource Conservation and Development Council has certified that it is not an urban water supplier.

---

For this application, the project proponent required to submit a Groundwater Management Plan Compliance Form is the Rancho California Water District (RCWD) for the Upper VDC Recharge Recovery Facility Conjunctive Use Optimization Project. Project proponents required to submit the Water Metering Compliance form are RCWD and South Coast Resource Conservation and Development Council, and for AB 1420 compliance, only RCWD is required to submit forms.

Copies of the signed GWMP, AB 1420 and Water Metering Compliance forms are provided in Appendix G and have been submitted in hard copy to the Department of Water Resources (DWR).
