

2 Adopted Plan and Proof of Formal Adoption

Introduction

The following document presents proof of formal adoption for all Poso Creek Regional Water Management Group entities and project proponents that adopted the Poso Creek IRWM Plan. Since Plan adoption, Kern-Tulare Water District consolidated with Rag Gulch Water District.

2.1 Proof of Formal Adoption

Poso Creek Integrated Regional Water Management Plan – July 2007

- Proof of Adoption -

The Poso Creek Regional Management Group includes Cawelo Water District, Delano-Earlimart Irrigation District, Kern-Tulare Water District, North Kern Water Storage District, North West Kern Resource Conservation District, Rag Gulch Water District, Semitropic Water Storage District, and Shafter-Wasco Irrigation District.

A Draft Integrated Regional Water Management Plan (Plan) has been prepared in accordance with IRWM Plan Standards as set forth in Appendix A to the November 2004 Integrated Regional Water Management Grant Program Guidelines published by the Department of Water Resources and the State Water Resources Control Board pursuant to California Water Code Section 79562.5(b).

The Draft Plan has completed a 30-day public review period.

On this day, July 26, 2007, the members of the Regional Management Group signed this Proof of Adoption to acknowledge the adoption of the Poso Creek Integrated Regional Water Management Plan (July 2007) by their respective agencies.
