Subject: Davenport Grant Funding
Date: Thursday, February 08, 2007 10:25:04 PM
Attachments:

To whom it may concern, Please approve the funding for the Grant for Davenport Water Improvements. We need all the help we can get. Our taxes are exorbitant yet we must resort to a primitive system of shipping in drinkable water. I am careful to use only our imported water even to brush my son's teeth since the water in Davenport is contaminated.

Sincerely,

Kate Alm :
