Subject: Prop 50 Grant Program Comment Letter

Importance: High

Attachments: Prop 50 RRWA Comments Letter 092804.pdf

Hi Tracie,

Please find attached a comment letter regarding guidelines for the Proposition 50, Chapter 8, Integrated Regional Water Management grant program. This letter was prepared by the Russian River Watershed Association, an association of 10 cities, counties and special districts in the Russian River region.

The letter has also been submitted by US MAIL. I apologize for the duplicate submission but wished to make sure we meet the comment deadline.

With Best Regards,

Tim Anderson
