RE: Proposition 84 Round 1 Implementation Grant Draft Funding  
Recommendations

Dear Mr. Joseph,

Please be advised that East Orosi Community Services District (EOCSD) fully supports the draft Proposition 84 - Round 1 Implementation funding recommendations for that portion that affects the Upper Kings Region proposed by the Department of Water Resources. Hopefully, the proposed funding of \$8,496,000 to the Upper Kings Basin IRWM Authority project will help the EOCSD address several issues (1) poor water quality due to nitrate contamination; (2) rehabilitate our water distribution system; or (3) intertie with the neighboring community of Orosi. Any of these options, will help to increase the quality of life for our residents who have often been overlooked. Hence, we take this opportunity to thank you in advance for your time and consideration.

Respectfully,

Lucy Rodriguez, Manager  
East Orosi Community Services District
