On behalf of the entities that applied for funding together from the Tuolumne-Stanislaus Integrated Regional Water Management Region I would like to express our thanks for the draft recommendation of 75% funding for our application for Proposition 84 Round 2 Implementation Grant funds. We appreciate the review and consideration of our application by the Department of Water Resources (DWR).

As applicants we feel it has been a real achievement to be able to collaborate and work together to put together our first implementation grant proposal and look forward to working with DWR to implement our proposed projects in the Tuolumne-Stanislaus IRWM Region.

Thanks again for consideration of our application.

Sincerely,

Lindsay Rae Mattos
