

Local Groundwater Assistance Grant

ATTACHMENT 10: AB 1420 AND WATER METER IMPLEMENTATION COMPLIANCE

The Joshua Basin Water District is an urban water supplier and prepared a 2010 UWMP, which was received and approved by DWR. The documents below, the AB1420 and the Water Meter Compliance Self Certification forms have been signed and document conformance with the requirements of this grant application. The JBWD UWMP has also been attached.
