GAP MONITOR WELL INSTALLATION PROGRAM – 2013
KAWEAH DELTA WATER CONSERVATION DISTRICT

Attachment 1 – Authorizing Documentation

A resolution, which will authorize Mr. Larry Dotson, District Engineer, to file an application for the Kaweah Delta Water Conservation District's Gap Monitor Well Installation Program – 2013 and to authorize Mr. Don Mills, Chairman of the Board of Directors to enter into an agreement with the State of California, is scheduled to be adopted by the Kaweah Delta Water Conservation District's Board of Directors at its regularly scheduled board meeting on August 7, 2012. An original copy of the signed resolution will be made available to DWR following said meeting and will be received by DWR no later than August 14, 2012.
