Dear Ms. Jones:

The Department of Water Resources (DWR) has reviewed the South Tahoe Public Utility District's (STPUD) Self-Certification Statement – Tables 1 and 2 submitted on May 1, 2012, regarding implementation of the Urban Best Management Practices (BMPs).

The purpose of DWR's review is to determine STPUD's eligibility to receive water management grant or loan funds. DWR has followed the *AB 1420 Compliance Requirements* dated January 1, 2009. For detailed information, please visit <http://www.water.ca.gov/wateruseefficiency/finance/>.

Based on DWR's review of the information in Tables 1 and 2, STPUD has and is currently implementing the BMPs consistent with AB 1420 and, therefore, is eligible to receive water management grant or loan funds.

~~DWR reserves the right to request additional information and documentation, including reports from STPUD to substantiate the accuracy of the information provided in Table 1 and 2. DWR may reverse or modify its eligibility determination and notify you and the funding agency if inaccuracies are found in the supporting documentation or in Table 1 and 2.~~

If you have any questions, please contact me at (916) 651-7034 or Betsy Vail at (916) 651-9667.

Sincerely,
