The Three Valleys Municipal Water District (TVMWD) is a local public agency, as defined in California Water Code (CWC) section 10701(a), and thus is eligible to apply for funding under the 2012 Local Groundwater Assistance (LGA) Grant Program. The TVMWD is a California municipal water district established under the Municipal Water District Law of 1911 (CWC 71000) and has the legal authority to enter into a grant agreement with the State of California.

The TVMWD and the Six Basins Watermaster (Watermaster) are partners in this grant application. The TVMWD is the formal applicant and proposed administrator of the grant and Watermaster will be the lead agency conducting the project. The TVMWD is a party to the Six Basins Judgment (State of California Superior Court of Los Angeles County pursuant to the Judgment, Case No. KC029152, 12/18/1998). To ensure the performance of the proposal and the tracking of funds, the TVMWD will execute the necessary agreements with the Watermaster upon notice that the subject grant has been awarded.
