Mr. Tim Barr
Water Use Efficiency Manager
Western Municipal Water District
14205 Meridian Parkway
Riverside, California 92518

Dear Mr. Barr:

The Department of Water Resources (DWR) has reviewed the Western Municipal Water District's (WMWD) Self-Certification Statement – Tables 1 and 2 submitted on December 7, 2010, regarding implementation of the Urban Best Management Practices (BMPs).

The purpose of DWR's review is to determine eligibility of WMWD to receive water management grant or loan funds. DWR has followed the *Draft AB 1420 Compliance Requirements* dated June 1, 2009. For detailed information, please visit <http://www.water.ca.gov/wateruseefficiency/finance/>.

Based on DWR's review of the information in Tables 1 and 2, WMWD has and is currently implementing the BMPs consistent with AB 1420 and, therefore, is eligible to receive water management grant or loan funds.

DWR reserves the right to request additional information and documentation, including reports from WMWD to substantiate the accuracy of the information provided in Tables 1 and 2. DWR may reverse or modify its eligibility determination and notify you and the funding agency if inaccuracies are found in the supporting documentation or in Tables 1 and 2.

If you have any questions, please contact me at (916) 651-7025 or Betsy Vail at (916) 651-9667.

Sincerely,

A handwritten signature in blue ink that reads "Fethi BenJemaa".
