

California Department of Water Resources

April 23, 2001

The following documents comprise an updated report summarizing the status of the California Department of Water Resources power purchase contract efforts:

[Summary of CDWR Power Purchase Contract Efforts](#) (.doc 737K)

[Table 1 - Executed and Agreed-in-Principle Contracts](#) (.xls 27K)

For information regarding these documents, contact [Oscar Hidalgo](#), (916) 574-1292.

File format notes: Documents above are .doc-Microsoft Word and .xls-Microsoft Excel formats. To open these files, you will need that software installed on your computer.

oOo

The Department of Water Resources operates and maintains the State Water Project, provides dam safety and flood control and inspection services, assists local water districts in water management and water conservation planning, and plans for future statewide water needs.
