The Department of Water Resources (DWR) will convene a Local Groundwater Assistance Grant Program Technical Advisory Panel (TAP) and public meeting in Sacramento on April 29, 2005.

The purpose of the meeting is to present to and consult with the TAP and the public regarding DWR staff rankings of Local Groundwater Assistance grant applications for the TAP to formulate its funding recommendations to DWR.

Meeting hours are 10 a.m. to 4 p.m. at the Bonderson Building Hearing Room, 901 P Street, Room 102 A in Sacramento. There will be an open house starting at 8 a.m. in the same auditorium. The open house will provide an informal opportunity for applicants to review their project's summary evaluations and to consult with DWR staff regarding the evaluation of their project.
