**DWR Announces Three Public Input
Workshops for the IRWM Grant Program**

SACRAMENTO –The Department of Water Resources (DWR) has scheduled three workshops to gather additional input on the Integrated Regional Water Management (IRWM) program as funded by Propositions 84 and 1E.

These workshops will present program concepts for the IRWM Program Guidelines and solicit public input on those concepts. DWR wishes to receive early, specific input and provide a clear understanding to interested stakeholders regarding the current status of the IRWM Program Guidelines.
