STATE GOVERNMENT HIGHLIGHTS GREEN PRACTICES AT CAPITOL

50 Exhibitors, Kid's Corner, Recycling Station and more!

A government organization dedicated to improving recycling and green practices across State departments will host the first California Green Fair for the general public at the Capitol. Join the State Agency Green Employees (SAGE) committee along with State and local government agencies, departments and community organizations to learn more about the latest on green practices and sustainability in Sacramento. Festivities include bands, raffle drawings every 15 minutes, including a grand raffle prize iPhone, a Kids' Corner where children can make green craft projects, green technology exhibits, and recycling demonstrations. The free event also features a drop off point for community residents to recycle such items as e-waste, batteries (no car batteries), eye glasses, old keys, plastic bags, among other items.

WHEN: Wednesday, June 16
11 am- 2 pm

WHERE: West Steps, State Capitol

VISUALS: 50 exhibitors, band, Kid's Corner (kids making eco-minded jewelry and decorating recycling bags), Recycle Station for small and large items, raffle prizes every 15 minutes, and grand raffle prize iPhone (drawing at noon).

CONTACT: Robin Gustafson (916) 719-6758, Nate Frank (925) 360-7917

OPENING REMARKS: Margo Reid Brown,
Director, CalRecycle, the State's new Department of Resources
Recycling and Recovery

Marty Keller,
Director, Office of the Small Business Advocate at GOED, the
State's new Governor's Office of Economic Development
