DWR Releases 45th Edition of Management of the State Water Project

SACRAMENTO -- The Department of Water Resources announces publication of the 45th edition of "Management of the California State Water Project"—Bulletin 132-07.

Bulletin 132 provides information on water supply planning, construction, financing, management and operations of the State Water Project (SWP) for 2006.

Printed copies and Adobe PDF file copies on CD ROM are available by request from DWR Records Management (916/653-1097). Bulletin 132-07 is also available on line as a PDF from the State Water Project Analysis Office Publications at:

<http://www.water.ca.gov/swpao/docs/bulletin/07/Bulletin132-07.pdf>

The Department of Water Resources operates and maintains the State Water Project, provides dam safety and flood control and inspection services, assists local water districts in water management and water conservation planning, and plans for future statewide water needs.

Contact the [DWR Public Affairs Office](#) for more information about DWR's water activities.
