### **DWR Issues Draft 2015 State Water Project Delivery Capability Report**

**SACRAMENTO—** The Department of Water Resources (DWR) has issued its Draft State Water Project (SWP) Delivery Capability Report (DCR) for 2015. The California water resources community and the public are able to review the report and its appendices and submit comments to DWR by using the hyperlinks below.

Public comments, along with DWR responses, will be included in the final report. The comment period will end June 5, 2015.

SWP Delivery Capability Report: <http://bdo.water.ca.gov/>

To submit comments to the report: [Comments-on-2015DCR@water.ca.gov](mailto:Comments-on-2015DCR@water.ca.gov)

---

*The Department of Water Resources operates and maintains the State Water Project, provides dam safety and flood control and inspection services, assists local water districts in water management and water conservation planning, and plans for future statewide water needs.*

For more than two years, California has been dealing with the effects of drought. To learn about all the actions the state has taken to manage our water system and cope with the impacts of the drought, visit [Drought.CA.Gov](http://Drought.CA.Gov).

Every Californian should take steps to conserve water. Find out how at [SaveOurWater.com](http://SaveOurWater.com)
