FOR IMMEDIATE RELEASE

OROVILLE SPILLWAY INCIDENT PRESS BRIEFING

THURSDAY 2:00 PM

Oroville, Calif. – There will be a press briefing at 2 PM, April 13. It will be held at the Department of Water Resources (DWR) Oroville Field Division office, **460 Glen Drive Oroville, CA 95966**.

Topics:

- Reoperation of flood control spillway
- Recovery Projects

For those unable to attend, the press briefing will be streamed live on [DWR's Facebook](#) page.

For information on lake conditions – including lake levels, inflows, and outflows – visit the [Oroville Reservoir page](#) on the California Data Exchange Center.

Please Note: For your safety and the safety of crews working in the construction zone, members of the news media are advised to wear Personal Protection Equipment (PPEs) - hard hat, reflective vest, safety glasses, and sturdy shoes/boots. Those not following this guideline will be asked to leave the area.
