

CALIFORNIA  
**WATERFIX**  
RELIABLE. CLEAN. WATER.

# INDUSTRY DAY

Please join us at an upcoming event to learn more about engineering design, construction and other business opportunities associated with building California WaterFix.

**Wednesday, December 6, 2017 | 9:00 am – 12:00 pm**

Sheraton Grand Sacramento

1230 J Street

Sacramento, CA 95814

*Doors open at 8:30 am*

## ABOUT INDUSTRY DAY

California WaterFix is inviting consultants, contractors and other businesses to learn about procurement and contracting opportunities associated with this major water infrastructure program.

The event will provide an overview of:

- Proposed WaterFix infrastructure
- Program organization
- Program schedule, including timing of various RFPs/RFQs
- Small Business Enterprise/  
Disabled Veterans Business  
Enterprise opportunities

## REGISTRATION IS REQUIRED.

To register for this free event, please visit: [CaliforniaWaterFix.com/design-construction](http://CaliforniaWaterFix.com/design-construction)

*Registration deadline is Friday,  
December 1, 2017*

## ABOUT CALIFORNIA WATERFIX

WaterFix is the state's plan to upgrade outdated infrastructure in the Sacramento-San Joaquin (Delta) to secure California's water supplies and improve the Delta's ecosystem.

The water delivery upgrade includes:

- New intakes located on the Sacramento River, closer to high quality water and away from critical habitats.
- Tunnels up to 150' below ground designed to protect California's water supplies from sea level rise, earthquakes, floods and levee failure.
- A pumping plant to lift water into Clifton Court Forebay.
