

# Alternatives and Infrastructure Working Group Update

Advisory Committee  
August 17, 2005

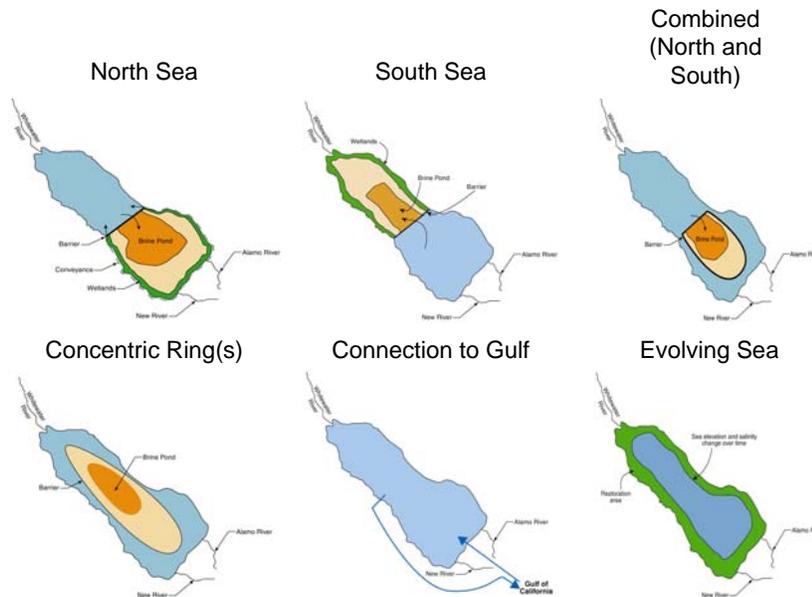

## Workgroup Progress

- ◆ **Second meeting on August 8, 2005**
- ◆ **Reviewed balance of alternative concepts**
  - **Gulf of California**
  - **Multiple Rings**
  - **Evolving Sea**

## Workgroup Objectives

- ◆ To obtain input on range of configurations and to discuss tradeoffs
- ◆ To understand operational and facility requirements of each configuration
- ◆ To understand sensitivity of each configuration to long term inflows and variability
- ◆ To develop criteria to mitigate construction related impacts and project phasing

## Potential Alternatives

# Salton Sea Export/Import with Gulf of California or Pacific Ocean
