

Discussion of Potential Application of Screening Criteria on Configurations

Advisory Committee
November 1, 2005
Sacramento, California

Initial Configurations were Considered by Working Groups

Next Steps

- ◆ **Continue to apply screening criteria to identify alternatives for evaluation**
- ◆ **Develop costs and construction phasing on a preliminary basis**
- ◆ **Provide information to the Advisory Committee prior to the December 8, 2005 meeting**
- ◆ **Define Range of Final Alternatives in December**
