

The Department of Water Resources (DWR) intends to receive federal financial assistance from the U.S. Department of Transportation (DOT) through the California Department of Transportation (Caltrans).

As required by Caltrans' Local Assistance Procedures Manual, Chapter 9, Page 9-12, the Department of Water Resources is providing the following Objective/Policy Statement with regard to Disadvantaged Business Enterprises (DBEs):

II OBJECTIVE/POLICY STATEMENT (§26/1. 26/23)

The RECIPIENT intends to receive federal financial assistance from the U. S. Department of Transportation (DOT) through the California Department of Transportation (Caltrans), and as a condition of receiving this assistance, the RECIPIENT will sign the California Department of Transportation Disadvantaged Business Enterprise Implementation Agreement (hereinafter referred to as Agreement). The RECIPIENT agrees to implement the State of California, Department of Transportation Disadvantaged Business Enterprise (DBE) Program Plan (hereinafter referred to as the DBE Program Plan) as it pertains to local agencies. The DBE Program Plan is based on U.S. Department of Transportation (DOT), 49 CFR, Part 26 requirements.

It is the policy of the RECIPIENT to ensure that DBEs, as defined in Part 26, have an equal opportunity to receive and participate in DOT-assisted contracts. It is also their policy:

- To ensure nondiscrimination in the award and administration of DOT-assisted contracts.
- To create a level playing field on which DBE's can compete fairly for DOT-assisted contracts.
- To ensure that their annual overall DBE participation percentage is narrowly tailored, in accordance with applicable law.
- To ensure that only firms that fully meet 49 CFR, Part 26 eligibility standards are permitted to participate as DBEs.
- To help remove barriers to the participation of DBEs in DOT-assisted contracts.
- To assist the development of firms that can compete successfully in the market place outside the DBE Program.
