

2013 California
Tribal Water April 24th & 25th

Summit

California Indigenous Rights, Uses and Management of Water and Land

Leveraging the strengths and resources of Tribal, State and Federal agencies through collaboration

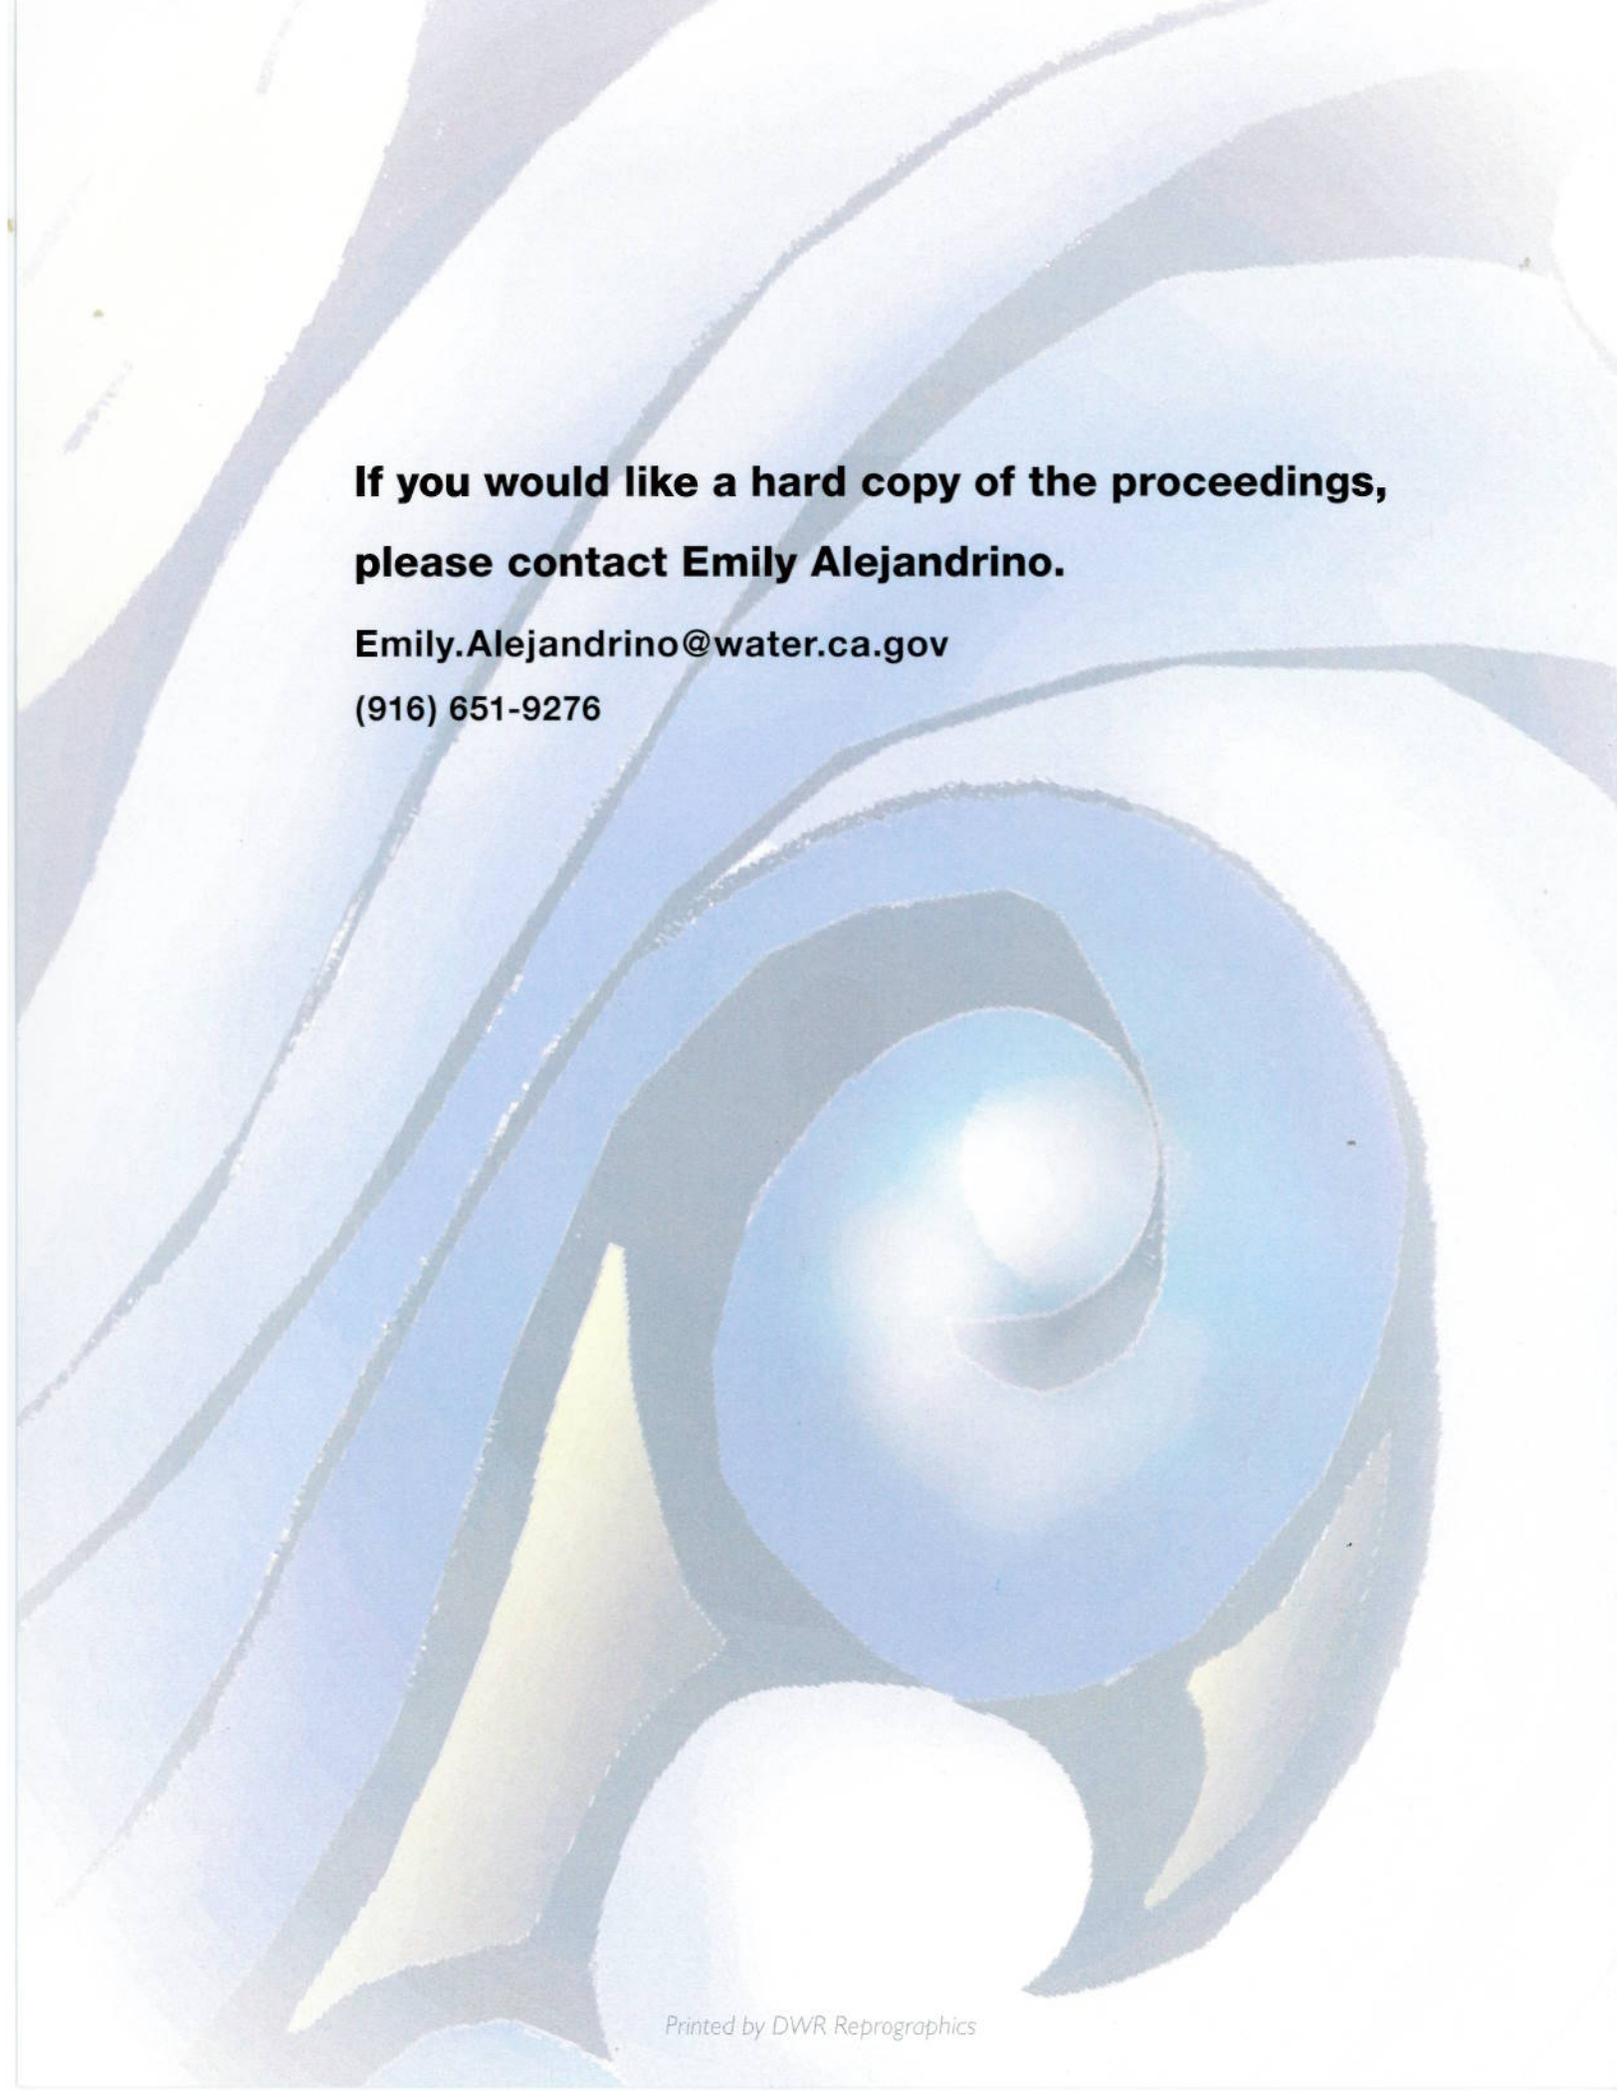

We All Drink from the Same Water

Mike Rodriguez 2009

PROCEEDINGS

WWW.WATERPLAN.WATER.CA.GOV/TRIBAL/TWS/2013

The background of the page is an abstract, artistic composition of overlapping, organic shapes. The primary colors are various shades of blue, ranging from light sky blue to deep, vibrant cerulean. Interspersed among these blue forms are sections of a pale, muted yellow. The shapes are layered and curved, creating a sense of depth and movement, reminiscent of a topographical map or perhaps a stylized representation of water currents or geological strata. The overall effect is soft and fluid.
