City of King
Robert Van Nort, City Manager
212 S Vanderhurst Ave
King City, CA 93930

Dear Mr. Nort,

Please find attached a draft copy of California Water Service Company's 2006 Urban Water Management Plan for the King City District. This plan, as required by the California Water Code §10644(a), is made available to cities and counties within the district service area for review and comment. The final form of the plan is required by the California Department of Water Resources on or before December 31, 2006. The review and comment period of this plan will end at close of business on September 29, 2006.

This Urban Water Management Plan is a foundation document and source of information for a Water Supply Assessment and a Written Verification of Water Supply. The Urban Water Management Plan also serves as a long-range planning document for water supply and can be a source document for cities and counties for the preparation of the General Plans. Review of this plan will benefit both of our organizations.

Please acknowledge that this report has been received and reviewed. Send any comment or question to the preparer of this Urban Water Management Plan:
