TO: Interested Agencies, Organizations, and Individuals

SUBJECT: Errata Sheet for EBMUD's Urban Water Management Plan 2005

The East Bay Municipal Utility District (EBMUD) has prepared the following errata sheet for its Urban Water Management Plan (UWMP) 2005. Table 1-2, on page 1-6 of the UWMP, was published with a misprint; the correct version of the table is included below.

Table 1-2 Population Estimates and Projections

Table with 7 columns: Region, 2005, 2010, 2015, 2020, 2025, 2030. Rows include Bay Area, Alameda County, Contra Costa County, EBMUD Service Area, and sub-regions within Alameda and Contra Costa counties.

Source: ABAG Projections 2005

Estimates & projections derived from ABAG Projections 2005. Total population projections for EBMUD service area derived from incorporated areas and unincorporated areas. The incorporated areas include the following: ALAMEDA COUNTY - incorporated cities of Alameda, Albany, Berkeley, Emeryville, Hayward, Oakland, Piedmont, and San Leandro; and CONTRA COSTA COUNTY - City Spheres of Influence of Danville, El Cerrito, Hercules, Lafayette, Alameda, Orinda, Pleasanton, Fremont Hill, Richmond, San Pablo and Walnut Creek, and the subregional study area of San Ramon. The unincorporated areas include the following: ALAMEDA COUNTY - City Spheres of Influence of Fremont, Ashland, and San Lorenzo; and CONTRA COSTA COUNTY - Crockett, Rockwood, and Blackhawk. All other unincorporated areas fall under the City Spheres of Influence.

Total population projections for EBMUD service area broken down by county. Projections for each county are further broken down by total projections within each county and unincorporated areas projections within each county.

NOTE: Population for Hayward, Pleasanton, and Walnut Creek were excluded according to the definition of the region within the service area Hayward - City Spheres of Influence and Walnut Creek - City Spheres of Influence.
