Dear Mr. Dills:

The Department of Water Resources (DWR) has reviewed the City of Huntington Beach's 2005 Urban Water Management Plan (Plan) submitted on December 2, 2005 in accordance with the Urban Water Management Planning Act. As revised, your plan appears to contain all of the information the Act requires to be discussed in the Urban Water Management Plan. If the new information significantly adds or changes the plan, your board may want to adopt the amendments or changes to the plan. You may wish to consult with your legal counsel concerning the Act's requirements regarding adoption of plan amendments.

The City of Huntington Beach can amend its 2005 Plan at any time. If you submit an amended or updated urban water management plan to DWR, we request that you submit three hard copies, one electronic copy, and proof of adoption to:

Mr. David Todd
Office of Water Use Efficiency & Transfers
Department of Water Resources
Post Office Box 942836
Sacramento, California 94236-0001

If you have questions about our review of your Plan, the changes to the Act, or amending or updating your Plan, you may contact me at (916) 651-7027 or by email at: dtodd@water.ca.gov for further assistance.

Sincerely,
