**NOTICE OF PREPARATION OF URBAN WATER MANAGEMENT PLAN**

The Urban Water Management Plan Act (Water Code Section 10610 - 10657) requires the City of Santa Clara to update its Urban Water Management Plan in 2005. We are reviewing our current Plan, which was last updated in 2000, and will be considering revisions to it. We invite your agency's participation in this process.

We will make any proposed revisions to our Plan available for public review and will hold a public hearing later this year. In the meantime, if you have any questions about our Plan, or the process for updating it, please contact:
