Mr. John D. Vega
General Manager
Elsinore Valley Municipal Water District
Post Office Box 3000
Lake Elsinore, California 92531

Dear Mr. Vega:

The Department of Water Resources (DWR) has reviewed the Elsinore Valley Municipal Water District's (District) 2010 Urban Water Management Plan (UWMP) received on July 26, 2011. The California Water Code (CWC) directs DWR to report to the legislature once every five years on the status of submitted plans. In meeting this legislative reporting requirement, DWR reviews all submitted plans.

DWR's review of District's 2010 Plan has found that the Plan has addressed the overall requirements of the CWC.

DWR's review of plans is limited to assessing whether suppliers have addressed the required legislative elements. In its review, DWR does not evaluate or analyze the supplier's UWMP data, projections, or water management strategies. This letter simply acknowledges that the District's UWMP has addressed these requirements. The results of the review will also be provided to DWR's Financial Assistance Branch.

If you have any questions regarding the review of the plan or urban water planning, please don't hesitate to email or call.

Sincerely,

A handwritten signature in black ink, appearing to read "Peter Brostrom".
