Ms. Carol Rische  
General Manager  
Humboldt Bay Municipal Water District  
Post Office Box 95  
Eureka, California 95502-0000

Dear Ms. Rische:

The Department of Water Resources (DWR) has reviewed the Humboldt Bay Municipal Water District's (HBMWD) 2010 Urban Water Management Plan (UWMP) received on July 1, 2011. The California Water Code (CWC) directs DWR to report to the legislature once every five years on the status of submitted plans. In meeting this legislative reporting requirement, DWR reviews all submitted plans.

DWR's review of HBMWD's 2010 plan has found that the plan has addressed the requirements of the CWC. DWR's review of plans is limited to assessing whether suppliers have addressed the required legislative elements. In its review, DWR does not evaluate or analyze the supplier's UWMP data, projections, or water management strategies. This letter simply acknowledges that HBMWD's UWMP has addressed these requirements. The results of the review will also be provided to DWR's Financial Assistance Branch.

If you have any questions regarding the review of the plan or urban water management planning please don't hesitate to email or call.

Sincerely,
