Dear Mr. Armendariz:

After my previous message to Mr. Daryl Wong was returned to me indicating there was no such addressee, I thought I would forward this message to you in hopes that it is reaching the appropriate City of Milpitas person/department. There was no cover/transmittal letter and no contact information included with the package. So I am "winging it".

This is to inform you that the Department of Water Resources received the 2010 Urban Water Management Plan for the [City of Milpitas](#) on June 23, 2011. The reviewer of your plan will be contacting you.

I did notice in looking your plan over that there was no CD of the Plan included. I would be appreciated if you would forward either a CD by US mail or email the .pdf of the Plan to my attention at your earliest convenience.

Thank you and have a great day,  
Guyla
