Morgan Hill, CA 95037

NOTICE OF PUBLIC HEARING

The Morgan Hill City Council will hold a public hearing at its regular meeting on **[DATE OF MEETING]** at **[TIME OF MEETING]**, or as soon thereafter as the matters may be heard, in the [LOCATION OF MEETING]. The City Council will consider acceptance of the Urban Water Management Plan 2010 Update (UWMP), including (SBx7-7) Per Capita Water Use Targets and conservation strategies related to compliance with the Water Conservation Act of 2009.

The 2010 Urban Water Management Plan Update addresses the City of Morgan Hill Water Department's water resources planning responsibilities by assessing water supplies and demands over a 20-year planning horizon. The Plan also incorporates the department's drought response actions and its water shortage contingency plan. New to the 2010 Update are the legislative requirements set forth by the 20x2020 Water Conservation Plan, which call for a 20 percent per capita water use reduction by the year 2020. The City of Morgan Hill's water use reduction targets and strategies for meeting this goal will be presented during the meeting.

The City of Morgan Hill encourages interested parties to attend the public meeting and comment on the issues being discussed. If you wish to provide testimony and are unable to attend the meeting, written comments delivered to the City Clerk's office prior to the hearing will be made a part of the public record.

Prior to the hearing, a draft of the Plan will be made available for review on the City's website at www.morgan-hill.ca.gov. If you have questions regarding the City of Morgan Hill's UWMP, please contact [Contact Information] at [phone #].
