Mr. Paul Schultz
General Manager
North Tahoe Public Utility District
Post Office Box 139
Tahoe Vista, California 96148

Dear Mr. Schultz:

The Department of Water Resources (DWR) has reviewed the amended North Tahoe Public Utility District's (District) 2010 Urban Water Management Plan (UWMP) received August 3, 2013. The California Water Code (CWC) directs DWR to report to the legislature once every five years on the status of submitted plans. In meeting this legislative reporting requirement, DWR reviews all submitted plans.

DWR's review of the District's 2010 UWMP has found that the plan has addressed the requirements of the CWC. DWR's review of plans is limited to assessing whether suppliers have addressed the required legislative elements. In its review, DWR does not evaluate or analyze the supplier's UWMP data, projections, or water management strategies. This letter is meant to acknowledge that the District's 2010 UWMP has addressed these requirements. The results of the review will also be provided to DWR's Financial Assistance Branch.

If you have any questions regarding the review of the plan or urban water management planning, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "P. Brostrom".
