Dear Mr. Mark W. Cowin,

The City of Rio Vista is pleased to submit the City's 2010 Urban Water Management Plan (UWMP) as per the California Water Code Section 10644(a). The City Council approved this document on August 18, 2011, after extensive review by the public and comments received during the public review period. This UWMP meets the required mandated five year submittal period for updated UWMP documents.

We have addressed the components and sections as required for the UWMP. Please let me know if you have any comments, concerns, or questions by calling me at (707) 374-6451, or by my e-mail address at dmelilli@ci.rio-vista.ca.us. Thank you for your consideration of our UWMP.

Sincerely,

David S. Melilli
Director of Public Works
