Mr. Mansour M. Nasser, P.E.
Deputy Director
City of San Jose Municipal Water System

San Jose, California 95121

Dear Mr. Nasser:

The Department of Water Resources (DWR) has reviewed the City of San Jose Municipal Water System's (SJMWS) 2010 Urban Water Management Plan (UWMP) received on July 5, 2011. The California Water Code (CWC) directs DWR to report to the legislature once every five years on the status of submitted plans. In meeting this legislative reporting requirement, DWR reviews all submitted plans.

DWR's review of SJMWS's 2010 plan found that the plan has addressed the requirements of the CWC. DWR's review of plans is limited to assessing whether suppliers have addressed the required legislative elements. In its review, DWR does not evaluate or analyze the supplier's UWMP data, projections, or water management strategies. This letter is simply meant to acknowledge that SJMWS's 2010 UWMP has addressed these requirements. The results of the review will also be provided to DWR's Financial Assistance Branch.

If you have any questions regarding the review of the plan or urban water management planning please don't hesitate to email or call.

Sincerely,

A handwritten signature in black ink, appearing to read "Peter Brostrom".
