Good Afternoon:

This is to inform you that the Department of Water Resources received the 2010 Urban Water Management Plan for the City of Shafter on August 22, 2011.

Additionally, I have received your UWMP for technical review. I can expedite the review of your plan if you enter the data into DOST directly:

<https://www.uw.water.ca.gov/DOST/%28S%28xxbrgy45b0eqe1bh1spgde45%29%29/Default.aspx>

If you choose not to enter the data into DOST, please let me know as soon as possible so that I can enter it as part of my review. However, this will result in a longer review period.

If you have any questions, please feel free to contact me. Thank you!

Gwen
