Mr. Tony Laliotis  
Director of Utilities  
Tahoe City Public Utilities District  
Post Office Box 5249  
Tahoe City, California 96145

Dear Mr. Laliotis:

The Department of Water Resources (DWR) has reviewed the Tahoe City Public Utilities District's (TCPUD) 2010 Urban Water Management Plan (UWMP) received on November 18, 2011. The California Water Code (CWC) directs DWR to report to the legislature once every five years on the status of submitted plans. In meeting this legislative reporting requirement, DWR reviews all submitted plans.

DWR's review of TCPUD's 2010 plan has found that the plan has addressed the requirements of the CWC. DWR's review of plans is limited to assessing whether suppliers have addressed the required legislative elements. In its review, DWR does not evaluate or analyze the supplier's UWMP data, projections, or water management strategies. This letter is simply meant to acknowledge that TCPUD's 2010 UWMP has addressed these requirements. The results of the review will also be provided to DWR's Financial Assistance Branch.

If you have any questions regarding the review of the plan or urban water management planning please don't hesitate to email or call.

Sincerely,

A handwritten signature in black ink, appearing to read "Peter Brostrom".
