January 17, 2014

Mr. John Martin, General Manager  
Tehachapi-Cummings County Water District  
Post Office Box 326  
Tehachapi, California 93581

Dear Mr. Martin:

The Department of Water Resources (DWR) has reviewed the Tehachapi-Cummings County Water District's (TCCWD) 2010 Urban Water Management Plan (UWMP) received July 29, 2011. The California Water Code (CWC) directs DWR to report to the legislature once every five years on the status of submitted plans. In meeting this legislative reporting requirement, DWR reviews all submitted plan.

DWR's review of TCCWD's 2010 UWMP has found that the plan has addressed the requirements of the CWC. DWR's review of plans is limited to assessing whether suppliers have addressed the required legislative elements. In its review, DWR does not evaluate or analyze the supplier's UWMP data, projections, or water management strategies. This letter is meant to acknowledge that the TCCWD's 2010 UWMP has addressed these requirements. The results of the review will also be provided to DWR's Financial Assistance Branch.

If you have any questions regarding the review of the plan or urban water management planning, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Peter Brostrom".
