Dan Noble, Executive Director
Association of Compost Producers
12645 6th Street
Rancho Cucamonga, CA 91739

Dear Dan Noble,

The Homeowners Association of Meadowview, being a duly elected Board representing residents of the Community, hereby states that it is willing to be included as a site in the Association of Compost Producers' DWR Water, Energy and Greenhouse Gas grant application of 2014, and that access to the Association's open space will be granted to individuals and machinery associated with the implementation of said grant.

Final approval to be granted upon successful negotiation of terms under which the grant work is to be completed as outlined in good faith discussions prior to the DWR grant application.

Very Truly Yours,

DW Duke
Board President
