

3. Bid Proposal Form
De Anza Country Club-Irrigation System

Bidder's Name: Formost Construction Co.
Address: PO Box 559
Temecula, CA 92593
Telephone: 951 698-7270 FAX: 951 698-6170
State License No: 267960 Classification: A,C61 D44

The above named Bidder, hereby referred to as the Contractor, declares that the only person(s) interested in this proposal are those named herein; that the proposal is in all respects fair and without fraud; and that it is made without any connection or collusion with any other person making a proposal on this project.

The Contractor declares that he/she has carefully examined the plans, specifications, and addenda relating to the proposed project. Further, the Contractor has inspected the proposed work area and has satisfied his/herself as to the conditions that exist at the site and the type of equipment that will be required to complete the project.

The Contractor hereby agrees to furnish all labor, material, tools, transportation, taxes and equipment required to install the automatic golf course irrigation system for the project as set forth in the plans, specifications, and addenda (if any).

The Contractor acknowledges the receipt of 0 addenda and verifies that the bid price below reflects any changes called for in said addendum. (Attach copies)

Bidder's Name: Formost Construction Co.

Provisional Contingency Quantity and Unit Pricing

Field modifications may require additions or deletions to the proposed work. The unit items listed on the next page shall be used to determine the amount of additional compensation to the Contractor and/or the credit amount to be reimbursed to the Owner. The prices below must reflect all materials, taxes, supervision, labor, equipment charges and any other expenses associated with the installation of each item. Materials included in the unit price and provisional contingency quantities must be the same as materials called out on the design drawing and shall meet all requirements of the specification document.

Include all materials, labor and equipment for complete installation of each item. Price all items listed even if the item may not appear on the plans.

Clarifications for the Irrigation System

- 1. All water and electricity required for the Golf Course Irrigation installation will be furnished at no cost at our point of connection.*
- 2. If installation is stopped or delayed by Owner or his representative for a period of ten (10) consecutive working days, Contractor to receive compensation to re-mobilize.*
- 3. Performance bond is excluded from this proposal.*
- 4. Contractor is not responsible for Acts of God.*
- 5. All permits, fees, inspections, testing and approvals by Owner.*
- 6. It is the intent that the Contractor's insurance coverage for additional insured, indemnification and hold harmless clauses, that the Contractor and Owner take responsibility and pay for each of their attributable portion of the claims, damages, losses and expenses, including but not limited to attorney's fees, incurred in these matters. If it is found that any claims were false, Owner to reimburse Contractor for expenses incurred in defending such matters.*
- 7. Trenching will be done by a Vermeer 555 or a John Deere #120 Excavator. If rock cannot be excavated with this equipment, a price will be negotiated. Trenching spoils will be disposed of onsite. Any necessary bedding material will be provided by Owner if needed.*
- 8. Removal of the existing system is included in this proposal.*
- 9. If union labor or prevailing wage rates are required, the additional cost will be added to our proposal.*
- 10. Material pricing is valid until May 18th, 2014.*
