February 28, 2014

Mr. Gary J. Mello, R.C.E.
General Manager
Groveland Community Services District
Post Office Box 350
Groveland, California 95321-0350

Dear Mr. Mello:

The Department of Water Resources (DWR) has reviewed the Groveland Community Services District's (GCSD) 2010 Urban Water Management Plan (UWMP) received on January 15, 2013. The California Water Code (CWC) directs DWR to report to the legislature once every five years on the status of submitted plans. In meeting this legislative reporting requirement, DWR reviews all submitted plans.

DWR's review of GCSD's 2010 plan has found that the plan has addressed the requirements of the CWC. DWR's review of plans is limited to assessing whether suppliers have addressed the required legislative elements. In its review, DWR does not evaluate or analyze the supplier's UWMP data, projections, or water management strategies. This letter is simply meant to acknowledge that the GCSD's 2010 UWMP has addressed these requirements. The results of the review will also be provided to DWR's Financial Assistance Branch.

If you have any questions regarding the review of the plan or urban water management planning please don't hesitate to email or call.

Sincerely,

A handwritten signature in black ink, appearing to read "Peter Brostrom".

Peter Brostrom
