

ATTACHMENT I - AUTHORIZATION AND ELIGIBILITY REQUIREMENTS

Authorizing Documentation

The applicant, the Santa Ana Watershed Project Authority (SAWPA), will provide a resolution adopted by the SAWPA Commission on December 22, 2014 after it is signed on December 16, 2014. The resolution will designate the agency as the authorized representative to submit the application and execute an agreement with the State of California Department of Water Resources for a 2014 Water-Energy Grant.

A disadvantaged community residence in the Santa Ana River Watershed.
